WHAT'S AN IGUIDE?

iGuides are revolutionary new interactive strategy guides on DVD video, featuring full-video walkthroughs, expert gameplay tips, hidden characters and arenas, and packed with awesome bonus content. iGuides are next-gen guides for next-gen games.

[Click here to learn more!](#)

We recommend that you view the video tutorials on the iGuide DVD before using these crib sheets. In this document you'll find comprehensive quick hints covering everything from fighting strategies to Puzzle Kombat, a complete moves list for each character, and a guide to all the unlockable moves kept secret in The Krypt. You can also print these tips out to have while gaming and watching the iGuide for the ultimate experience.

To get the latest, hottest, updated crib sheets and access to even more Mortal Kombat: Deception tips and secrets, log on to www.iguides.net!
